Overview of the company

Target Audience

- Younger population as majority
- 12-25 are all teenagers
- Middle class income
- GenZ
- Women who keep up to date with trends
- Active on social media
- Mostly Asian

Company Challenges

- Lack of social media presence
- Small community on social media
- Only available at Richmond Night Market
- Limited opening hours (7pm-12pm, Friday, Saturday, Sunday and national holidays)
 - Can't decide the company's own opening hours.

SWOT Analysis

- Strengths:
 - Variety of nutrition
 - Low rent
 - Small shop
 - Fair price
 - Simple production process
 - Fast service
 - Reusable packaging and has an opening for the straw
 - Promotions - buy 1, get 1 50% off
 - Collaborated with Alipay to get sample drink for \$1 if you pay with Alipay

SWOT Analysis

- **Weakness:**
 - High cost ingredients
 - Limited flavors
 - Limited opening hours
 - No permanent store
 - More packing design (Logo on cup)

SWOT Analysis

- Opportunities:
 - Transfer into bubble tea kits, more accessible
 - More flavors
 - Signature drinks
 - QR codes
 - Milk teas
 - More topping options - Popping boba, grass jelly, coconut jelly

SWOT Analysis

- **Threats:**
 - Many established competitors
 - Saturated industry
 - Variety of similar drinks in the market
 - Existing and cheaper bubble kits in the market

Marketing Strategies

Instagram:

- More social media presence and engagement
- Posting blogs consistently
- Reels, in-stories, in-feed posts
- Improving the Instagram Bio-more detail
- More engagement by liking and replying to comments, reposting stories, Q&A sessions, creating polls on stories for them to respond to
- Changing to Instagram business account for more features
